To support the family members during their time of bereavement, WLI Board of Directors have developed this policy to assist with the financial needs of the deceased registered members of Wasauksing First Nation.

1. The Board requests that one family member be designated as the contact person for accessing this policy within 48 hours. Preferably the person who has the power of attorney whom may or may not be a registered member of WFN (proof must be provided) to support the family members during the time of bereavement.
2. All Applicants must provide quotes prior to and/or original receipts to WLI finance immediately thereafter; WLI makes bereavement donations in the form of reimbursement for original receipts submitted by the family member for *an amount up to the maximum* of \$1,000.00 on direct funeral costs per deceased individual.
3. All applications are to be in writing and directed to the attention of WLI Board of Directors.
4. All bereavement donations will require Board approval by a quorum of three Directors.
5. All decisions are at the discretion of WLI Board of Directors.
