Wasausink Lands Inc. - Drivers Course

Wasausink Lands Inc. offers WFN registered members the opportunity to enhance their driving skills by offering the "Drivers Course Program".

Each year WLI allocates a dollar (\$) amount to the Drivers Course Program, and is first come first served.

Approved applicants will receive up to a maximum amount of \$1,000.00 that will be paid directly to the vendor, on behalf of the participant by WLI. Anything above the maximum amount is the responsibility of the individual.

Once the budget is expended, the program is closed until the next year. Requests can be submitted between April 1 to March 31 each year, based on budget.

To participate in the program the following information is required:

1. A letter addressed to the WLI Board of Directors regarding the purpose of taking the Drivers Course. Please include mailing address and contact number.
2. An Invoice or pre-registration to a qualified Drivers Course, with company name, address, phone number and contact person.
3. Copy of G2 Driver's License, if applicable.
4. Copy of Status Card (Picture and number must be visible).

Requests will be reviewed at the next scheduled WLI Board meeting, which is held the third Wednesday of every month. After review the individual will be notified about request and whether it has been approved or denied.
