

Wasausink Lands Inc.

Transit Policy

Mission Statement

To provide Wasauksing First Nation members access to basic needs, as well as assist with job search and employment opportunities.

Service Outline

This is a free service for the registered members of Wasauksing First Nation. The transit bus is a registered private vehicle and is insured as such. It is not insured as a public transit or school bus. The Wasausink Transit will not provide medical transportation services. This service is provided by the WFN Health Department. Priority will be given to WFN registered members. WFN registered members are able to bring one additional passenger on the transit that is not a registered member, only if there are enough seats available.

Rules of the Driver

- Be punctual, friendly, and respectful.
- Will follow the approved schedule and/or route.
- Will ensure transit is well maintained, clean, and complete a daily circle check.
- Driver will maintain a daily logbook as required by the Ministry of Transportation.
- Will operate the transit in a safe manner that respects all rules of the road as per the Provincial Highway Traffic Act, Ministry of Transportation, and Criminal Code of Canada.
- Will have access to a cell phone for emergency purposes only.
- Driver will not text or talk while operating the transit, as per the Provincial Highway Traffic Act. Any reports of this behaviour will result in disciplinary action.
- Driver will be drug and alcohol free at all times. If suspicious or reports of this behaviour the driver may face disciplinary action including termination. The Wasausink Board of Directors will enforce zero Tolerance.
- Driver will determine if the roads are unsafe to use and will update the WLI office accordingly.
- Driver will submit incident reports in a timely manner to the Wasausink Board of Directors to be reviewed and rectified.
