

## **BEREAVEMENT POLICY**

To support the family members during their time of bereavement, WLI Board of Directors have developed this policy for the needs of the deceased registered members of Wasauksing First Nation.

1. The Board request that **one family member be designated** as the contact person for accessing this program. Preferably the person who has the power of attorney who may or may not be a registered member of WFN (*proof must be provided*) to support the family members during their time of bereavement.
2. All Applicants must provide quotes prior to and/or original receipts to WLI finance immediately thereafter; WLI makes bereavement donations in the form of **reimbursement for original receipts submitted** by the family member for *an amount up to the maximum* of \$1,000.00 on direct funeral costs per deceased individual.
3. All applications are to be in writing and directed to the attention of WLI Board of Directors.
4. All bereavement donations will require Board approval.
5. All decisions are at the discretion of WLI Board of Directors.
